

April 2021 – Prevent Child Abuse Awareness Month

When you wear Blue -- Take a picture and post on social media using #WearBlue 2021-IN

Pinwheels represent childlike whimsy and lightheartedness and our vision for a community where all children grow up happy, healthy, and prepared to succeed in supportive families and communities.

We want to flood our neighborhoods and community with Pinwheel gardens throughout the month of April! If you would like to display a pinwheel garden at your home or business, please fill out this form: [Pinwheel order form](#)

Join us in creating awareness and conversations to keep children safe!

Color love and joy into childhood! We encourage children to color one of our [pre-designed pages](#) or make their own drawing and submit for a chance to win a prize. To enter, please email a picture of your drawing to: PCAVanderburgh@gmail.com. Every Friday in April we will select a random winner and highlight your artwork on our Facebook page!

Sidewalk Chalk Event:

We will have bags of chalk available for you to place at your business or distribute to children throughout our community.

We want to promote family activities that assist in creating great childhoods. Share your chalk creations on social media and tag us on Facebook.
